2. Mr. Duffy, of the staff of the Immigration Subcommittee of the Senate Judiciary Committee called to state that they had had recent meetings with some foreign members of the Moral Rearmament Movement, who are active in anti-Communist trade union activities abroad; that they had found these people to be quite interesting and informed; that a meeting was scheduled for 8 o'clock, Friday, 1 February, under the auspices of the District Moral Rearmament group, and that various government officials, in their personal capacities, would be present. Those invited include Mr. Alexander, of State, Commissioner O'Connor of the Displaced Persons Commission, and Mr. Nichols of the FBI. I referred the above to [redacted] Office of DD/Plans, for consideration to see whether anyone from CIA should attend the meeting.
